Family Commitment Plan 2007 – 08 School Year

We encourage parents to participate in the activities of Our Lady of the Lakes Catholic Grade School (OLL). One of the keys to the success of our school is its Parental Involvement. We are the role models for our children, the primary teachers. The school spirit we demonstrate shows the importance of active participation in our community which benefits the spiritual, moral, and intellectual growth of our children.

The goal of our Family Commitment Plan is to maximize Parental Involvement in our school to provide services or raise funds that could minimize the increasing expenses of our school.
