### Grandparents’ Day – Friday, April 18

Grandparents’ Day is fast approaching. This year’s theme is “Grandparents Help Build Good Character.” We will be presenting our grandparents with small gifts and we need your help! We ask that students bring in a 4x6 photo for each set of grandparents. The pictures can be of one of the following:

- 1.) A picture of the student with their grandparents.
- 2.) A picture of the student by themselves doing something his grandparent taught them or may have had a hand in building character in their grandchild (example: help with homework, play/listen to music/dance, play games, read together, baking, sports, gardening, etc.)

If no photo is provided, students will create their own drawings instead. If you have any questions please contact Mrs. Sieracki or Mrs. Goetsch. Thanks for your help!
