

# OUR LADY OF THE LAKES CATHOLIC CONGREGATION

## Commitment of Time and Talent – Church/School

Your trust in God is expressed by your commitment to share God's gifts to help do his work at Our Lady of the Lakes. From the very beginning of salvation history, God's chosen people were asked to share responsibility, portions of what God had entrusted them to do.

As parish members it is our responsibility to share our Time and Talents with our faith community. Carefully, prayerfully, review this form. Fill it out with all adult/teenage members of your family. Please check as many areas as you can. **Include those areas you are currently active in and wish to continue.**

We pray God will move you to be generous with your sharing of Time & Talent to do His work in our parish. Be as generous to Him as He has been to you.

I/We no longer wish to be active Parish members. Please remove us from your membership roster.
